RAUL ESCOBEDO
SOFTWARE DEVELOPER

PROFILE

I am a software developer with robust problem-solving skills. I have a keen eye for creating and designing websites and applications. Because of my education background, I pay very close attention to detail, can multitask, and clearly communicate with my clients and team members.

TECHNICAL SKILLS

Front-End Web and Mobile Development, HTML, CSS, JavaScript, Bootstrap, React.JS, React Native, Git, GitHub, Code Commits, NPM, JSON, APIs, UI/UX, ES6, Responsive Design, Visual Studio Code

SOFT SKILLS

Strong Verbal and Written Communication Skills, Strong Problem Solving Skills, Open to Feedback, Motivated, Analytical, Collaborative, Adaptability, Positive, Passionate, Respectful, Growth Mindset, Integrity, Adaptability, Organized, Critical Thinking

EDUCATIONAL TRAINING

NuCamp Bootcamp
Full-Stack Web & Mobile Development
- Enrolled since August 2021 and will graduate March 2022
- Virtual

Northwestern University
Master of Music in Performance
- Attended from September 2010 to June 2012
- Evanston, IL

University of North Texas
Bachelor of Music in Education
- Attended from August 2006 to June 2012
- Denton, TX

PROJECTS

The Trainer
React & React Native | January 2022 to present
GitHub | Live
- This is my primary portfolio project I have been working on with NuCamp
- This website and application is intended to connect personal trainers and their clients during and post workouts. Trainers will be able to create custom exercises and workouts, plus more
- The project was initially created with HTML, CSS, Bootstrap, and jQuery. It has evolved to a React website and soon to be a React Native application

OKB Hope Foundation
React | January 2022 to present
GitHub
- This website is to provide healthcare resources for a non-profit organization in Ghana
- I am working with 2 other developers on this project

Portfolio
HTML, CSS, Bootstrap | January 2022 to present
GitHub | Live
- This is my portfolio website, which features all of my projects, an about me, education, and certifications

PROFESSIONAL EXPERIENCE

Freelance Web Developer
OKB Hope Foundation | January 2022 to present
- I have been working with a small team of 3 developers to build a React website for a non-profit organization

Director of Bands
Austin ISD | August 2013 to present
- I have been a music educator for the past 9 years and currently teach the wind ensemble, jazz factory, beginning saxophone/trombone/euphonium/tuba classes
